Milk Bottle Tops

In light of the latest Chinese ban on plastic waste imports from the UK the Matthew Project have been notified that their contractors will no longer be processing any bottle tops. Due to this, all of the recycling banks in Norfolk have been removed and as a result Plastic 4 Charity has come to an end. The Matthew Project thanks all those who have saved bottle tops - it has been a very good fundraiser for them. Milk bottle tops should now no longer be brought to church but put in your recycling bin. Thank you.

Green Shoots is meeting TODAY from 10am-11am at the Church Room, Stalham. All welcome.

For St Mary's, Stalham:

It is now approaching the time of our Annual Meeting (Sunday 8th April after church) and so it is time to revise our Electoral Roll. Could anyone who is not on the Roll and wishes to be, fill in one of the forms to be found at the back of church and give the completed form to Jan Blossom please (as Jan is laid up at the moment, forms can be given to Emma to pass on to Jan). If you are not sure whether you are on the Roll, please ask. Please ask one of the clergy or wardens if you would like to know more. At the back of church you will also find nomination forms for Churchwardens (2) and PCC members (5) - please check with nominees that they are happy to stand before you nominate them! Thank you.
